A picture book about the creative process, and the way in which "mistakes" can blossom into inspiration. One eye was bigger than the other. That was a mistake. The weird frog-cat-cow thing? It made an excellent bush. And the inky smudges... they look as if they were always meant to be leaves floating gently across the sky. As one artist incorporates accidental splotches, spots, and misshapen things into her art, she transforms her piece in quirky and unexpected ways, taking readers on a journey through her process.
