This is a story about an absentminded tailor and his quick-witted accomplice who struggle to escape a land where things aren't always what they seem. During the journey, our protagonist is exposed to concepts that are ubiquitous in software, but whose usefulness extends beyond that field. Much as in life, the lessons come in the form of 'head fakes,' which means that our protagonist doesn't realize at the time that he is learning anything of value.

Math fab Mathonwy - WikipediaIn Welsh mythology, Math fab Mathonwy (Welsh pronunciation: [ˈmaːθ ˈvaːb maˈθɔnɔi]), also called Math ap Mathonwy (Math, son of Mathonwy) was a king of Gwynedd who needed to rest his feet in the lap of a virgin unless he was at war, or he would die. The story of Math is the fourth of the Four Branches of the Mabinogi.Bulat Okudzhava - WikipediaLife.
