Everyone that Kaya loves is in danger and she is the only one that can protect them—but it requires a huge sacrifice... A heart-pounding journey of self-discovery, Nocturne is the transformative second installment of the Nightmusic Trilogy. I am hunted. A pawn in a vicious game. The only way I can protect the ones I love... is to disappear. Finally free of her father, Kaya has the one thing that keeps her heart beating—Luke. Blissfully content in his arms, everything seems perfect...until their world is shattered by a deadly invasion. When an old ally comes to the rescue, Kaya wants none of it. She is devastated to learn the identity of her attacker, and that she must do something truly heartbreaking if she wants to save the ones she loves. Sacrificing everything and sinking into bottomless sorrow, Kaya finds solace in an unlikely friend—one who shows her a different kind of love, and helps her discover an inner strength she never thought possible.
