Why did life have to be so difficult at times? Zoe never imagined she would find herself having to choose between two men—or should she say angels. As exciting as that sounds, the need to make a decision is tearing her apart. Does she choose the irresistible one who ignites her body with his passionate kisses, or the wild, untamed one? Orion found his fated mate the second he saw her in the reflecting pool. He knows that Zoe wants him—but, he isn't the only one that she wants. His nemesis, Mercury, is her co-guardian and is vying for her attention. Mercury is a rebel—wild and untamed. As co-guardian to Zoe, he feels the need to protect the sexy human woman he has been assigned to. The trouble is he wants more, but he isn't the only one. Zoe wants both men, but not all angels will share. Torn between the two angels, she must choose only one. Who will capture her heart—and will the other accept her decision as final?
