"The End of the River" one of the best from Simon Winchester and has been published on 2021 ago.

This is only PDF generator result for the preview and PDF Book Onlines not place PDF downloadable The End of the River.

Simon Winchester brings alive the dramatic history of America's most storied, symbolic, and lawless river: The Mississippi. The acclaimed author takes readers on a journey back through dangerous attempts to control the mighty waters, and asks if, as climate change threats rise, it would be safer to let nature take its course.
